The feature of the game was the spectacular work of Roper, on third bag, the accepted seven chances in big league style. Thompson, for the U. T. DANVILLE, VA., March 30.—Trenton to-day played the last game of the series with the locals, winning the game by a score of 10 to 4. The contest was one which was interesting at times, but the hard work that the locals have undergone recently has begun to tell, and one inning was marked by five runs that the Tigers secured off a lone hit, the Tobacconists contributing to the result with numerous errors. Carney and his men leave here to-morrow morning for their journey home, where they have an elaborate schedule of ante-season games with big league teams.

The "Recruits," however, were equal to the emergency. Wilson started off with a single; Shelton fanned; Elly found one that suited his taste and advanced Wilton to third; Elly stole second, and then Krengle lined out a beautiful single to rightfield, bringsing in two runs and winning the game. Both pitchers were in excellent trim. The heavy batting of Gill could be considered a feature, he having secured two home runs out of four times at the bat.

VIRGINIA PUT UP

[Special to The Times-Dispatch.]
CHARLOTTESVILLE, VA., March 36,
—Virginia showed a complete reversal
of form to-day, and found little trouble in defeating Columbia 16 to 3.
The New Yorkers were never in the
contest. Fulton, the Dardstown, 15y,
ind, who was in college last year, but
would not apply for the team, signified
his debut in the box by striking out
the first five batsmen who faced him.
Altogether he had twelve strike-outs
to his credit, and allowed but four
hist. Three of these came in the
fourth inning, and netted Columbia
her only runs. Young walker stole
second, and counted on Miltenberger's
clean hit to centre. O'Connell followed
with a double, scoring Miltenberger,
and counting later on Zimber's safe
engle.

In addition to putting up an almost

and counting later on Zimber's sate single.

In addition to putting up an almost perfect fielding game, the Virginia players-poked the leather to all corners of the lot and became tired running bases. Dailton and Honamer each secured four hits in six times up, while Fulion helped to win his own game by getting a slashing triple and two singles. Captain Walker, Woodson, Thom and Sawrle also get in some timely stick work. Hammond Johnson put up a sensational game at the initial bag, his two catches of foul files on the running track being the fielding features of the contest. Captain Walker did some clever base stealing and sacrifice hitting. The single feature of Columbia's exhibition was the admirable backstop work of Young. Virginia plays Columbia again Monday.

support of sports other than baseball and football, the old college stand-bys, as are the student bodies. The Richmond indoor meet and the one held at Norfolk both had a large number of entries, and were well supported by the public.

An intercollegiate field day in the spring is the logical result of this outburst of enthusiasm for college sports, and there is small doubt that such field days will not become permanent institutions.

The State Fair Grounds is an ideal place for an outdoor meet, and as the grounds will not have to be altered in the least, it is thought that the Fair Association will readily consent to the holding of the meet here. Several members have been approached on the subject, and they have promised that the movement will meet with their support.

At this meet the usual events will
